

Dear Eastside:

During the month of February, pray for God's provision for the Children of Hope schools in 2010. With 1700 children relying on these schools as a lifeline of hope for education and spiritual formation, there is a great deal at stake. Through these kids, pastors are evangelizing their families and the churches connected to these schools are growing!

Your support, through prayer and giving, is making a difference. Our budget is set at \$120,000 and we are praying for pledges and gifts during this month, to meet this need. Pledge cards will be available and inviting you to prayerfully consider making a monthly contribution towards this project.

You can give online through SecureGive at [www.eastsidechurch.org](http://www.eastsidechurch.org). Just be sure to indicate that your contribution is for Manila.

Thank-you, and God-bless you.

Together we can do great things!

Thank-you,
